

Frankton JR/SR High School Summer Reading

Each grade level will complete reading assignments for the summer of 2017. The books should be read before the school begins and activities will begin as soon as school starts.

Free links are listed or you may find a print version of the book in a public library or bookstore. Check with your teacher, too. Some teachers have extra copies of the books.

Students who enroll after the school year is over are expected to complete the readings as assigned; teachers will work with new students to extend assignment deadlines, if needed.
